

Issue 31 / September 2018

Dear reader,

We are excited to see you at the **CPhI worldwide 2018** and **HI Europe 2018** and would like to extend a warm welcome on our stands **5G60 (CPhI)** and **8D97 (HI)**. Our experts are pleased to inform you about Anklam Extrakt®, our products, our service as well as about our product novelties.

Qualität is our passion

- // High-quality plant extracts, produced under GMP and HACCP conditions
- // A sophisticated extract portfolio for pharmaceutical, food supplement and food applications
- // Branded ingredients – our special extracts supported by clinical studies

We are happy to be at your service and will advise you in detail.

CPhI worldwide 2018

- // 09. - 11. October 2018

- // Anklam Extrakt®: **Booth 5G60**

HI Europe 2018

- // 27. - 29. November 2018
- // Messe Frankfurt | Deutschland
- // Anklam Extrakt®: **Booth 8D97**

Please set up appointments in advance at sales@anklam-extrakt.com

We would also like to welcome you to get to know our latest Branded Ingredients **optibright™** and **cognitaven®** which will be launched at CPHI worldwide in Madrid:

optibright™

A NOVEL COMBINATION PRODUCT FOR DRY EYES

optibright™ combines the efficacies of branded maqui berry extract MaquiBright® and DHA-rich omega-3 oil for a remarkable double action on **dry eye management**.

MaquiBright® is standardised to bear a minimum of 25% delphinidins and a minimum of 35% total anthocyanins. The extract supports aqueous tear fluid production in lacrimal glands by eliminating free radicals and reactive oxygen species, as proven in pre-clinical and clinical studies.

Our **omega-3 oil** contains 50% docosahexaenoic acid (DHA*) and 20% eicosapentaenoic acid (EPA). The oil supports lipid layer synthesis in meibomian glands – required for evaporation protection and for stabilisation of tear film.

*EFSA Claim: DHA contributes to the maintenance of normal vision.

cognitaven®

BRANDED GREEN OAT HERB EXTRACT

The branded ingredient cognitaven® is a green oat extract used for **cognitive health**. Green oat has been known for decades as a remedy to help relieve mild symptoms of stress and to aid sleep. Anklam Extrakt® investigated the effects of green oat extract in an in vitro study supporting the impact of green oat extract on **mental stress, cognition and mood**. Clinical trials on cognition/mental stress are currently ongoing.

We are looking forward to meeting you!
