Our highlights for you:

optibright® - Finalist of the NutraIngredients Awards for "Omega-3 Product of the Year"

Our newly launched product concept optibright® has been selected as a finalist for this year's NutraIngredients Awards in the category "Omega-3 Product of the Year". optibright® is an oral supplementary double-action solution that combines the power of an anthocyanin-enriched maqui berry extract - MaquiBright® and Omega-3 oil for the maintenance of hydrated eyes.

Product Launch - Passionflower extract with Vitamins B6 and B12 for mental well-being.

This innovative food supplement combines the positive characteristics of all three ingredients in a tasty composition. The stick pack can be used diluted in a glass of water or is suitable for direct consumption.

We are looking forward to meeting you!
