## OUR HIGHLIGHTS FOR YOU:

### ANKLAM EXTRAKT® COUGH TABLET – REGISTRATION GRANTED

OUR CONCEPT – YOUR PRIVATE LABEL PRODUCT

Both **Thyme herb** and **Primula root** are well known as expectorants in cough associated with cold.

Together with our partners Wiewelhove GmbH and DS Pharma GmbH, we developed a private label Cough Tablet according to the HMPC monograph. Recently we have been **granted the registration** in Austria and Germany.

Join the **presentation** of Dr. Stefanie Lang at the Natural Extracts Podium on **Wednesday 6th of November (14:30 – 15:00)** to learn more about this effective combination.

Products with **Lemon balm leave extract** are traditionally used to alleviate minor **symptoms of stress and facilitate sleep** onset. Furthermore, Lemon balm is known for the symptomatic treatment of mild **gastrointestinal problems**. To make it easier for our customers to register their products, we successfully applied for a **CEP** and have recently **been granted the certification**.
