

Issue 46 / April 2020

Dear Reader,

At Anklam Extrakt GmbH, the **safety of employees, customers and partners is our top priority**. Therefore, we took comprehensive security measures at an early stage and thus the majority of our colleagues are working from home. Of course, we regularly communicate via video conferences and **remain at our customers' disposal** as usual.

Our production and laboratory site in Anklam was closed for visitors quite a while ago.

We have organised additional work shifts to build up stocks and **subsequently guarantee a smooth delivery process**. We have also found very flexible solutions for employee childcare in all areas.

STANDING TOGETHER AGAINST CORONA

Furthermore, we have been given the opportunity to embrace social responsibility: For Mecklenburg-Western Pomerania, we have received an exceptional permission to manufacture disinfectants on behalf of the Anklam-based Cothenius pharmacy.

At Anklam Extrakt®, we stand together as a team to rise to the challenge of this crisis.
