

Issue 74 / May 2023

Dear reader,

Electronic sports (Esports) is a fast growing segment in the nutrition market. Key performance requirements in esports are **cognitive performance** and **eye health**.

Anklam Extrakt® offers a wide range of **high quality extracts** and **branded ingredients** for multiple application purposes, including ingredients for cognitive performance and eye health. To support our customers even one step further we develop product concepts with our contract manufacturing partners.

With our **Gamerizer Gums** you have the opportunity to enrich your portfolio with an innovative private label **esports food supplement**. It combines **MaquiBright®**, a unique extract for dry eye relief, with **cognitaven®**, which proved its effect regarding cognitive performance. Together with Vitamins and Zinc the gums are a perfect fit for **successful gamers**.
